Thanks for checking out our posting!

If you are the designer that sets goals for each work and radically reduces everything to the core to achieve them, then we are looking exactly for you! You dare to communicate a lot with less, and you want to shape a product that allows you to leave a dent in the universe. You want to work from home, at our beautiful lake-sided headquarter in Attersee, or at our office in Salzburg, Austria. If all of this applies to you, please continue reading! If not... :-)
